Elden Ring is a game that creates a fantasy world whose action takes place in a game world. Players create their own character and go on adventures on a quest to find their missing sister. In the course of their quests they meet allies, overcome dangerous foes, and use the crystals in the game world to activate ancient Elden Rings. ABOUT

ELDEN RING DESIGN: Elden Ring is a game for people who enjoy fantasy and action games. With a mix of RPGs, strategy games, and simulation games, Elden Ring features a variety of game genres that appeal to people who enjoy action games. The design philosophy is to create an immersive and exciting fantasy world that is a pleasure to the senses. Games that combine fantasy and action and take place in a game world are currently at the core of the design philosophy.

DETAILS: ● Easy, Responsive Controls that are Perfect for FPSs We created the game that takes place in the Lands Between, where you can freely move and jump while maintaining a high degree of responsiveness. ● A Unique Fantasy Story that is Great for Story-Driven Players The story is set in a fantasy world where dreams become reality, in which characters are referred to as Elden Lords. ● High Quality Texture and Lighting The world is filled with impressive

scenery that is reflective of ancient civilizations and looks incredible with lighting effects. ● Smooth and Responsive Game World Waves of enemies that appear from the darkness move smoothly and create a sense of tension. ● Variety in Customization You can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. ● Flexible Play Time The action takes place in the Lands Between, a world that can be set to a variety of settings from day to night and from sunny weather to extreme weather. ● Various Game Modes, Including Missions There is also a mission mode where you set the difficulty of the game to “easy” and “hard” to enjoy from a variety of perspectives. ● Exciting Battles Battles focus on the fun of combat, so enemies don’t remain in position but move around. The game maintains the high responsiveness of the controls, so fights are easy to play and exciting
