• IGN : ★★★★★ "The tabletop RPG experience comes together perfectly in the hybrid form of TARNISHED." • Gamerholic : ★★★★★ "Tarnished is one of those rare games that provides the tabletop experience for players looking to play with a new group of friends while allowing players that aren't as comfortable with tabletop gameplay to experience it through a virtual card game." • PureSF : ★★★★★ "If you're looking for a new tabletop experience, and you have any experience with card games, there's a lot to love about Tarnished." • RPG Site : ★★★★★ "Tarnished is easily the most interesting ARPG in recent memory, and the card game portion is just as good as the tabletop experience. It's the combination of them that make Tarnished so beautiful and unique." • Toussaint : ★★★★★ "It would have been nice if more options were available on how you wanted to play the game, but it works as an experience-card game anyway. However, I've only heard about it a few months ago, but it looks like Tarnished is worth playing." WEEKLY GUIDE TARNISHED game: • IGN : ★★★★★ "A lot of effort has been put into making this feel like the tabletop experience, even though it's a digital game. The sheer number of cards makes it feel like a board game, and the variable powers offer an entirely new experience for the genre." • Gamerholic : ★★★★★ "Tarnished's made-for-tabletop design is a big part of why the game feels so fresh, since it feels like it would only work in the actual physical realm." • PureSF : ★★★★★ "As a physical card game, Tarnished offers a rewarding experience that doesn't feel like a digital game. With so many different mechanics and powers, it's almost like a board game and an ARPG all in one." • RPG Site : ★★★★★ "The fact that your bff6bb2d33
