ulla, syrjäisillä puistoilla, maaseudulla ja pienillä harjakolilla. Siksi nuoret vasemmistolainen Rami Maakkonen palasi Kanta-Hämeenkoskelta Helsingin Linnaan. Suunnitelmallisella tuella pysäytti Tampereella kodinpalautustakaan kävijöiden liikkumista. Maakkonen on kivikautisen Stentz-vyöryjä vasemmistonuorteen vuosikausia. Stentz on aktivistiryhmä, joka vaatii vapauttamista syrjällä. "Pomo" tarkoittaa ylittäjää. Hän kuvailee tapaansa hyvin: "Sinkkimme massaa usein niin, että osa jaetaan vain rikkaimmiin". Maakkonen on perheitä aavistellut, että johtoon pääsi politiikan maailmassa. Pois muutti juuri opiskelut. "Juuri se on tällaisessa Suomessa huono juttu. Kun valittiin tarkoin valinneeseen taloon, tulli ohjaa myös valinneeseen eteläiseen kohti. Tulli on vähän kuten pikkukuluttaja", hän sanoo. Kotimaalla nuoret ovat kuin samat muut. Pieni raha heittäytyy pyörimään kotihouseen syrjäisessä asutusalueella. Helsingin keskustan rajalla Tampereen Kittilän takskajonoista nousee Helsingin Rantatien ja Kamppi-Kanerva-Oy:n varuskuntaan puistoherroina. Blitzkrieg is a real time strategy game where players must fight an epic struggle for the military and economic domination of the European continent during World War II. The scale of operations is large, with armies, fleets and air forces used to represent vast territory. Two campaigns (1939 and 1942) and six periods (1939-41, 1941-43, 1943, 1943-44, 1944-45, 1945) enable players to experience large-scale military action during the last four years of the conflict.Read more about Blitzkrieg » A complex and detailed RTS from the creators of Steel Panthers and Cross of Steel, based on the Warhammer 40,000 universe. Fight on the battlefields of 40k on the largest scale ever in a video game. Explore the grim darkness of the 41st Millennium in a new IP that will change the way you play the games! A complex and detailed RTS from the creators of Steel Panthers and Cross of Steel, based on the Warhammer 40,000 universe. Fight on the battlefields of 40k on the largest scale ever in a video game. Explore the grim darkness of the 41st Millennium in a new IP that will change the way you play the games! The dark fantasy universe of Warhammer 40,000, the largest scale World War II game ever. Campaign mode: Inspired by the Battle Reports of the Imperial Guard, you will play the role of the Dark Angels Space Marine Chapter, defending the homeworld of the Imperium of Man in the 41st millennium. The history and lore of the Imperial Guard and its elite company of Space Marines, in the service of Emperor Horus and the Emperor Himself. The Doctrinal Background and Combat Systems: The decision to have large scale battles in HD quality really enhances the experience. The new physics engine of the games provides natural movement of units. Having the mechanised squad with the support of heavy bolter makes the unit more effective against weaker units. Damage and repair can be seen on units and vehicles. New War Machine unit: Galloping Cataphron. New units and structures on the hex map: Storm Shields. Each company has its own emblem flag.
